

## Elastadeck Matting

## SS6000829

Intended uses For the reinforcement of Elastadeck Balcony waterproofing systems.   The random nature of the weave allows the fibres to be easily incorporated within the balcony souting and be moulded easily to fough and irregular suffaces. When encapsulated, the fibres help provide greater tensile strength and tear resistance to the balcony system.   product description Random weave chopped strand glass fibre mat (nominal 100g/m2)   product information Product reference SS6000116   Colour Natural   storage and handling Storage Store in original packaging in a dry safe place out of the reach of children. Avoid frequent handling (wear gloves for direct contact). Glass fibres are not classifiered as dangerous with regark to transport regulations and are not required to follow special procedures.   Pack Size Nominal 0.85m wide x 50m long (the exact length may slightly vary from roll to roll).   Flash point Non flammable   Product weight Nominal gross wt. per 100m roll circa.4.5kg   Shelf life Unlimited if stored in unopened packages as above.   Apply Elastadeck Grit Coat, whilst wet insert Elastadeck Matting and thoroughly "wet-in".   Overlap adjacent reinforcement areas already laid by at least 50mm ensuring sufficient or to be a crace.				
balcony coating and be moulded easily to rough and irregular surfaces. 		in".		
		extra embeddment material is applied to these areas.		

When embedding Elastadeck Matting it may be necessary to tamp the mat. If so, use a short bristled brush or specialist roller ensuring that there are no tented areas. Immediately after embedding check for any upstanding glass fibre strands and lay smooth.

safety precautions	A copy of the appropriate Health & Safety Data Sheet should be consulted prior to using the product. This can be faxed if urgently required. Minimum precautions:	
	1. Avoid skin and eye contact i.e. wear gloves, goggles, long sleeve clothing to avoid temporary irritation.	
	2. Keep away from food, drink, animal foodstuffs, plants or fish.	
	3. Do not eat or smoke in the vicinity of work.	
	4. Dispose of empty container in a safe way.	
	5. Wash hands before eating.
